Comment

1. Click on the EMTA button to load EMTA vehicle list. Mandatory fields are highlighted yellow
2. Enter a year model for the vehicle 4 digit year yyyy (no month)
3. Select the make from the drop down choice list
4. Select the model from the drop down choice list
5. Select the series from the drop down choice list
6. Select the paint group from the drop down box.

Please note:

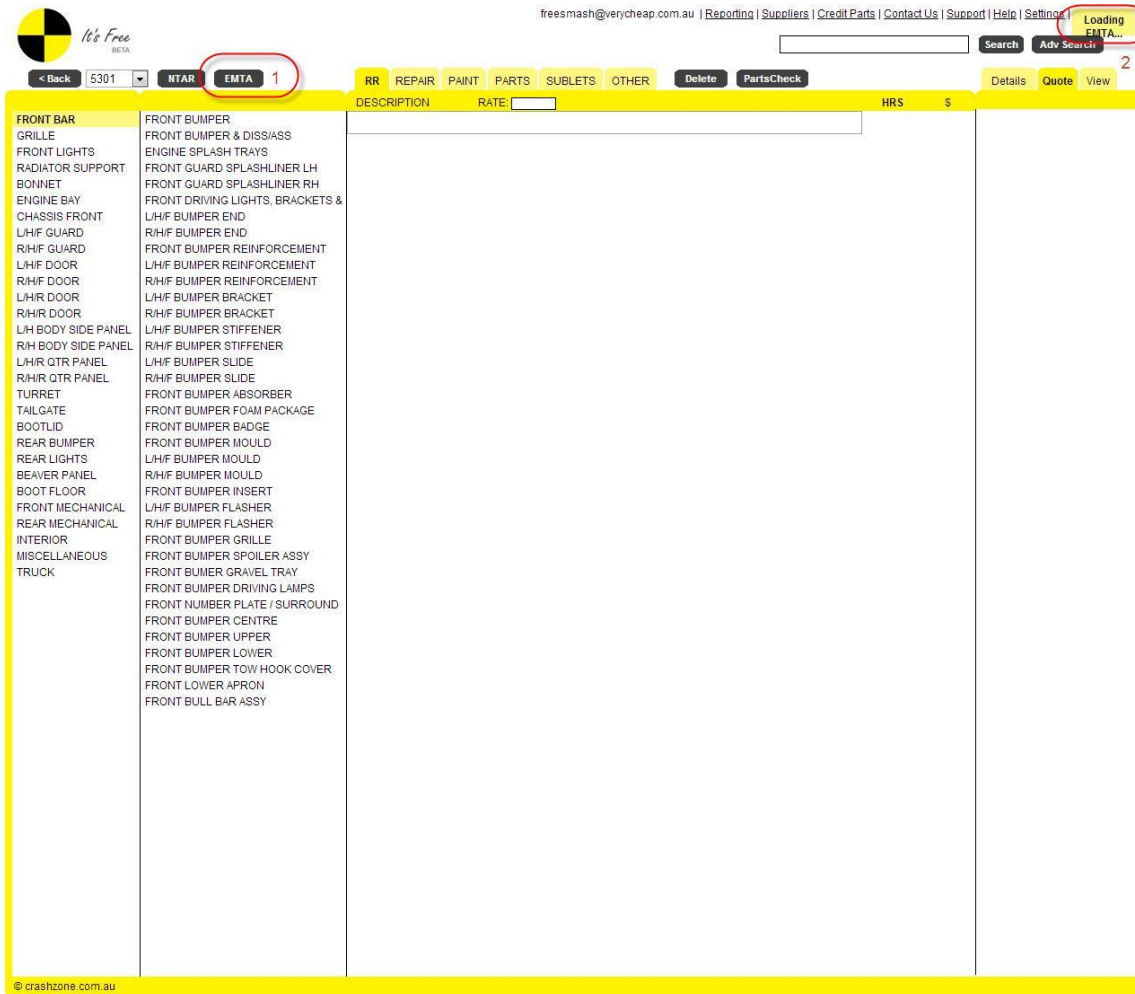

* All EMTA details need to be selected in the above order.

* There are 2 paint groups select both if you need to quote a 2nd colour operation

Adding EMTA times to the quote

The screenshot shows the software interface for adding EMTA times to a quote. The top navigation bar includes the company logo, contact information, and a search bar. The main menu has tabs for 'RR', 'REPAIR', 'PAINT', 'PARTS', 'SUBLETS', and 'OTHER'. The 'EMTA' tab is selected and circled in red. A 'Loading EMTA...' status is displayed in the top right corner. The main content area is a table with columns for 'DESCRIPTION', 'RATE', 'HRS', and '\$'. The table is currently empty, and the 'EMTA' button is highlighted in yellow.

1. From the quote page click on EMTA to load EMTA times choice list.
2. EMTA choice list is loading, status shown in right hand corner

Please note: it takes time to load the choice list as it gathering the times directly from the EMTA server allow 1 to 2 minutes for load time.
