7. Error and warning messages	8

1. Enable quote for Estimage

The screenshot shows the Estimage quote creation interface. At the top left is the 'It's Free BETA' logo. Below it are navigation buttons: '< Back', 'New', '5073', and 'Copy Quote'. The main form is divided into four sections:

- Owner:** Fields for Owner (MR JOHN SMITH), Address (MR JOHN SMITH), Phone 1, Phone 2, Fax, and Email.
- Shop:** Fields for Quote (5073), Date in, Date out, Estimator, and Total (\$0.00). A 'Status' dropdown is set to 'Quote'.
- Vehicle:** Fields for Rego (888111), D.O.M., Make, Model, Colour, Body, Vin Number, Odometer, and Transmission.
- Rates:** Fields for RR (85.00), Repair (85.00), Paint (85.00), Part Markup (0.00), and Body. Below these is an 'NTAR vehicle list' dropdown showing 'NEON LX 07/96 08/99 4C'. There are also 'ARNIE Branches' and a dropdown for 'SUN,GIO,AMP,SIS,RACT,L,VERO,VEROCP'. At the bottom of this section are buttons for 'Update quote', 'Estimage' (circled in red), 'DOL', and 'Upload'.

- * When quoting a job that will go through Estimage you need to enable Estimage mode
- * From the details page click on the Estimage button
- * This will enable Estimage mode

* Mechanical labour requires the code MECH in front of the description

** Check notes for errors before downloading Estimage file

freesmash@verycl 18/06/2010 14:07

freesmash@verycl Supplement 5085.1 created. 16/06/2010 14:37

- * A new note is created at the bottom of the details page to confirm the quote is in Estimage mode
- * The note also provides the Estimage codes for Transmission and body type

2. D.O.M (Vehicle date of manufacture)

- * The D.O.M must be formatted correctly when creating a Estimage job
- * No special characters can be entered in the field

CORRECT DATE FORMAT

Vehicle

D.O.M: 062010

WRONG DATE FORMAT

Vehicle

D.O.M: 06/2010

3. Estimage codes for Transmission and Body

- * When entering the vehicle body type and transmission in the details page you need to use a code supplied by Estimage.
- * The Body and Transmission will only export to Estimage if the correct code is entered
- * Refer to the notes section for the codes
